

Equity Lending Approved Investment List As 30 June 2026

The information contained in this document has been prepared without taking into account your personal objectives, financial situation or needs. Gearing of your investments can magnify the gains and losses in the value of your portfolio. You should discuss with your financial or tax adviser whether gearing your investment is appropriate for you.

A Product Disclosure Statement (PDS) may be available for products referred to in this document. If a PDS is available, NAB recommends you consider the PDS before making any decisions regarding a product. A relevant PDS is available from your financial adviser or fund manager.

Approved Investments and Security Ratios may change at any time. National Australia Bank Limited reserves the right to decrease a Security Ratio where the Security Value of any one stock comprises more than 75% of the Security Value of the portfolio.

Note on Approved Investment Platforms

From 6 September 2010, NAB Equity Lending began reporting of underlying investments on the investment platforms. This means that we are now reporting the security ratio of each investment held within that investment platform as it appears on the NAB Equity Lending Approved Investment List whereas previously we were providing a global security ratio for that investment platform. The table below sets out NAB Equity Lending's approved investment platforms.

If you have any queries regarding this, please call NAB Equity Lending or your financial adviser.
