Approved Investment Platforms

Note on Approved Investment Platforms

From 6 September 2010, NAB Equity Lending began reporting of underlying investments on the investment platforms. This means that we are now reporting the security ratio of each investment held within that investment platform as it appears on the NAB Equity Lending Approved Investment List whereas previously we were providing a global security ratio for that investment platform. The table below sets out NAB Equity Lending's approved investment platforms.

If you have any queries regarding this, please call NAB Equity Lending or your financial adviser.
