

NAB Margin Loan

Application for new guarantors

Risk Disclosure Statement

You are considering becoming a *guarantor* in relation to a margin lending *facility*. If you do that, you will unconditionally and irrevocably guarantee to us all of the monetary and other obligations of the *client* under the *facility*. Before you agree to do that, you should be aware of the risks associated with guaranteeing moneys borrowed on the security of *stocks* and *managed fund investments*. To assist you in this, we set out below the Risk Disclosure Statement which we provided to the *client* at the time they applied for the *facility*.

There are risks associated with using a NAB Margin Loan Facility to borrow on the security of *stocks* and *managed fund investments*. You should be aware of these risks before you enter into a NAB Margin Loan Facility. We have described some of these risks in the following paragraphs.

You should also carefully consider the NAB Margin Loan Facility Terms as they contain important information regarding the terms and conditions that will apply to your NAB Margin Loan Facility and will help you understand this Risk Disclosure Statement.

Terms that are defined in the NAB Margin Loan Facility Terms have the same meaning in this statement.

We also strongly recommend that you obtain independent professional advice as to the suitability of margin lending for you and the risks involved before you enter into the NAB Margin Loan Facility. We have not in any way considered the suitability of margin lending for you and you should not infer that we are providing personal investment or tax advice in making the *facility* available to you.

1. Borrowing on the security of *stocks* or *managed fund investments* exposes you to the volatility of the share market and the determination by us of the value of the *stocks* and *managed fund investments*. If there is a decrease in the value of *stocks* or *managed fund investments* that you have borrowed against, your financial position may be significantly affected.

We may make a *margin call* if a fall in the value of *stocks* or *managed fund investments* in your portfolio causes the *current LVR* to be equal to or greater than the *margin call LVR* at that time.

It is important to note that *stocks* or *managed fund investments* other than *approved stocks* and *approved managed fund investments* will have a *security ratio* of zero.

If we make a *margin call* you may be required to provide additional security or funds on short notice (in many cases, by 2 p.m. on the *business day* after the *margin call* is made).

Unless you provide us with additional security or funds so that the *current LVR* is less than the *base LVR* by the *margin call deadline* we may sell some of your or the borrower's (if any) *secured property* to meet the *margin call*.

2. There may also be circumstances where we require you to repay all of what you owe us. For example, we may require this if:

- (a) you do not satisfy a *margin call*;
- (b) any event occurs which in our opinion may materially affect your ability to meet your obligations under the *facility*.

There are other circumstances in which we can ask you to pay us all of what you owe us. You should familiarise yourself with these. (See clauses 10.2, 10.3 and 25.1 of the Facility Terms.)

3. In some cases, the value of *stocks* and *managed fund investments* that you have provided as security may not be sufficient to repay the amount that you owe us. We may recover the remainder of what you owe us from you personally. We assign to each *stock* and *managed fund investment* a *security ratio*. The *security ratio* of a *stock* or *managed fund investment* is a percentage determined by us which reflects the amount that we are prepared to lend against that *stock* or *managed fund investment*. The *security ratio* that we assign to a *stock* or *managed fund investment* is not an indication by us as to the suitability of that *stock* or *managed fund investment* to form part of your portfolio or the financial prospects of that *stock* or *managed fund investment*. We may change the *security ratio* that we assign to a particular *stock* or *managed fund investment* in your portfolio at any time. This may cause a *margin call*. We will, via our website, give you notice of any changes in the *security ratio* used to calculate the security value of the stock and managed fund investment as soon as practicable after the change.
4. If you are intending to go away or will not be contactable for a length of time, you should make arrangements with us (for example, provide us with additional security) to reduce the risk of a *margin call* being made. In any case, if you cannot be contacted for a length of time, you should give us the name and contact details of a person who is able to be contacted in your absence and who is authorised by you to respond to a *margin call*. We will sell some of your *secured property* if you fail to meet the *margin call*, even if you or your representative have not received notice of the *margin call*. We will, via our website, give you notice of any changes in the *security ratio* used to calculate the security value of the stock and managed fund investment as soon as practicable after the change.
5. You should discuss with your financial or tax adviser whether gearing your investment is appropriate for you. If you do gear your investments you should be aware that you may not have received the income or the benefit of any tax deductions at the time you are required to pay interest owing. You should ensure that you always have adequate income, resources or borrowing capacity under the *facility* to meet any interest payments.
6. All *stocks* and *managed fund investments* that you have provided as security for your obligations under the margin lending *facility* or that you buy using funds advanced to you under the *facility* are mortgaged to us. Under the terms of the *mortgage*, all dividends, interest, allotments, offers, benefits, privileges, rights, bonuses, distributions or rights to take up *stocks* or *managed fund investments* are mortgaged to us and we must agree before you have access to these rights. If you default under the *facility*, we may sell the *stocks* or *managed fund investments* and keep that portion of the proceeds that you owe us. We will not release *stocks* or *managed fund investments* mortgaged to us until the *facility* is terminated and you have paid us back all the money that you owe us in connection with the *facility*.
7. If you are borrowing through a company, each director of the company will be required by us to give us a *guarantee* of the company's obligations under the *facility*. This means that each director is personally liable for the company's obligations and individually bears all of the risks outlined above. Under the terms of the *guarantee*, we do not have to proceed against the company first before we can enforce our rights against directors.
8. We may pay commission to any person we choose (including any financial adviser or planner, any broker and any of our related entities). The payment of that commission is not an endorsement by us of that person and we do not, in any circumstances accept responsibility for any statement, act or omission of them, except where required by law.

Section C Power of Attorney

This power of attorney is given by the New Guarantor (called 'Principal').

1. The Principal appoints each employee of National Australia Bank Limited ABN 12 004 044 937 ('NAB') and any related body corporate of NAB (as defined by the Corporations Act), whose title is or includes the word 'Manager' ('Attorneys') jointly and each of them severally to be the Principal's attorneys.
2. The Attorneys may do in the name of the Principal and on the Principal's behalf everything necessary or expedient to:
 - (a) execute and deliver any NAB Margin Loan Facility New Guarantor Accession Deed Poll by the Principal as a New Guarantor; and
 - (b) complete blanks and make amendments, alterations and additions to the documents described in (a) considered necessary or desirable by the Attorneys (including, without limitation, changes to parties); and
 - (c) execute and deliver any other documents or do any other acts which are referred to in the documents described in (a) or which are ancillary or related to them or the transactions contemplated by them, in the absolute discretion of the Attorneys; and
 - (d) appoint one or more substitute attorneys to exercise, or delegate to one or more sub-attorneys the power to exercise, one or more of the powers given to the Attorneys, and to revoke any of those appointments, and in this power of attorney, 'Attorneys' includes a substitute attorney and sub-attorney appointed under this clause; and
 - (e) execute and deliver any document amending the document described in (a) in any form the Attorneys consider appropriate.
3. The Attorneys may do any of these things despite the fact that a document they execute in the exercise of their powers itself contains a power of attorney or appointment of an attorney or agent for any purpose whatsoever.
4. The Principal declares that all acts, matters and things done by the Attorneys in exercising powers under this power of attorney will be as good and valid as if they had been done by the Principal and agrees to ratify and confirm whatever the Attorneys do in exercising powers under this power of attorney except if caused by the fraud, negligence or misconduct of NAB or the Attorney.
5. The Principal indemnifies each of the Attorneys against liability, loss, costs, charges or expenses arising from the exercise of powers under this power of attorney, except if caused by the fraud, negligence or misconduct of NAB or the Attorney.
6. The Principal declares that a person (including, but not limited to, a firm, body corporate, unincorporated association or authority) who deals with any of the Attorneys in good faith may accept a written statement signed by any of the Attorneys to the effect that this power of attorney has not been revoked as conclusive evidence of that fact.
7. The Principal declares that the Principal and a person (including, but not limited to, an executor, administrator, successor, substitute or assign) claiming under the Principal are bound by anything the Attorneys do in exercising powers under this power of attorney.
8. The Principal declares that this power of attorney is given for valuable consideration and is given by way of security to secure the performance of obligations owed by the Principal to NAB and is irrevocable for so long as any of those obligations remain undischarged, unless NAB consents to its revocation.
9. The Attorneys are expressly authorised to do any act as a result of which a benefit may be conferred on the Attorneys, NAB, any related body corporate of NAB or any of them.

Section D New Guarantor Tax File Number Notification

Tax File Number ('TFN')

We are authorised to collect your TFN under the Income Tax Assessment Act 1936 and will use your TFN to report details of interest earned to the Australian Taxation Office. It is not compulsory to provide your TFN and it is not an offence if you decline to do so. If you do not provide your TFN or advise us that you are eligible for an exemption from providing a TFN, Withholding Tax may be deducted from your dividends and distributions at the maximum marginal tax rate (plus the Medicare Levy). If you require further information on the use and collection of TFNs, contact your tax adviser or the Australian Taxation Office.

If you quote your TFN you authorise each of National Australia Bank Limited and National Margin Services Pty Ltd as your agent to provide your TFN details as provided to investment bodies in connection with the Facility. To avoid doubt this authority extends to the provision of your TFN to the relevant investment body for further investments in connection with the Facility. This authority is to apply until such time as it is revoked in writing to us. If you don't have your TFN or Exemption you can provide it to us later.

Section E New Guarantor Acknowledgement and Execution

I/We agree that the National Australia Bank Limited may obtain from a credit reporting agency a consumer credit report containing information about me/us for the purpose of assessing whether to accept me/us as a *New Guarantor* for the NAB Margin Loan Facility applied for by, or provided to, the client named in Part A.

By executing this Application, I/we, the *New Guarantor(s)* grant the power of attorney contained in this Application as Principal authorising each Attorney, among other things, to execute the New Guarantor Accession Deed Poll, by which I/we will become bound to the Facility Terms (which contains the terms of the guarantee and indemnity to which I am/we are agreeing to be bound). I/We acknowledge having received and read the Facility Terms, the Guarantor Accession Deed Poll, and the Risk Disclosure Statement.

I/We acknowledge that:

- NAB does not provide any legal or tax advice from NAB, or advice about this product as to the effect of giving the guarantee and mortgage.
- NAB does not provide any financial advice or recommendation about any specific *stock* or *managed fund investment*. You should seek separate advice in relation to these matters if needed.
- NAB recommends that I/we seek independent legal, tax and financial advice before agreeing to give the guarantee and indemnity in the Facility Terms.

By executing this Application I/we acknowledge and agree that I/we will be bound by the guarantee and indemnity contained in the Facility Terms.

IMPORTANT

Before you sign

- Read the guarantee and indemnity and the credit contract or other facility or financial obligation to be guaranteed.
- You should obtain independent legal and financial advice.
- You should make your own enquiries about the creditworthiness, financial position and honesty of the debtor.

Things you must know

- Understand that, by signing this guarantee and indemnity, you may become personally responsible instead of, or as well as, the debtor to pay the amounts which the debtor owes and our expenses in enforcing the guarantee and indemnity.
- If the debtor does not pay you must pay. This could mean you lose everything you own including your home.
- You may be able to withdraw from this guarantee and indemnity or limit your liability, in accordance with the Banking Code of Practice (if it applies to this guarantee) and as allowed by law. Ask your legal adviser about this before you sign this guarantee and indemnity.
- This guarantee and indemnity applies in relation to a future credit contract or other facility or financial obligation to the extent it is within a limit previously agreed by you in writing. Otherwise this guarantee and indemnity only applies to a future credit contract or other facility or financial obligation if we give you a copy of the relevant contract document and subsequently obtain your written acceptance of the extension of the guarantee and indemnity in this regard.
- You can refuse to sign this guarantee.
- There are financial risks involved in signing this guarantee (for example, it may become necessary for you to sell your assets so that you can pay us).
- You can request information about the credit contract or other facility or financial obligations to be guaranteed (including any existing credit contract, facility or financial obligation with us to be refinanced by the new credit contract, facility or financial obligation).
- If any of the *new guarantors* are not existing NAB clients or guarantors, please complete Attachment 2 "Identification Reference for Signatory to an Account (s21)" for each non-NAB client or guarantor.
