NAB Super Lever

Application

Risk Disclosure Statement

There are risks associated with using a NAB Super Lever Facility to borrow on the security of *stocks* and *managed fund investments*. You should be aware of these risks before you enter into a NAB Super Lever Facility. We have described some of these risks in the following paragraphs.

You should also carefully consider the NAB Super Lever Product Disclosure Statement (PDS) and the Facility Terms as they contain important information regarding the terms and conditions that will apply to your NAB Super Lever Facility and will help you understand this Risk Disclosure Statement.

Terms that are defined in the Facility Terms in italics have the same meaning in this statement.

We strongly recommend that you obtain independent professional advice as to the suitability of margin lending for you and the risks involved before you enter into a NAB Super Lever Facility. You should not infer that we are providing personal investment or tax advice in making the *facility* available to you.

1. Borrowing on the security of *stocks* or *managed fund investments* exposes you to the volatility of the share market. If there is a decrease in the value of the *stocks* or *managed fund investments* that you have borrowed against, your financial position may be significantly affected.

We may make a *margin call* if a fall in the value of *stocks* or *managed fund investments* in your portfolio causes the *current LVR* to be equal to or greater than the *margin call LVR* at that time.

Stocks and *managed fund investments* that are not financed by a *loan* (such as those accruing because of dividend reinvestment) do not form part of the *secured property* and will have a *security ratio* of zero even where those *stocks* or *managed fund investments* would otherwise be *approved stocks* or *approved managed fund investments*.

If we make a *margin call* you may be required to provide additional funds on short notice (in many cases, by 2pm on the business day after the *margin call* is made).

Unless you provide us with additional funds so that the *current LVR* is less than the *base LVR* by the *margin call deadline* we may sell some of your *secured property* to meet the *margin call*.

2. There may be circumstances where we require you to repay all of what you owe us. (See clauses 11.1, 11.2, 11.3 and 25.2 of the Facility Terms.)
3. In some cases, the value of *stocks* and *managed fund investments* that you have purchased via NAB Super Lever, may not be sufficient to repay the amount that you owe us. We may recover the remainder of what you owe us from the *security* provided by the *guarantor* (if any). We assign to each *stock* and *managed fund investment* a *security ratio*. The *security ratio* of a *stock* or *managed fund investment* is a percentage determined by us which reflects the amount that we may be prepared to lend against that *stock* or *managed fund investment*. The *security ratio* that we assign to a *stock* or *managed fund investment* is not an indication by us as to the suitability of that *stock* or *managed fund investment* to form part of your portfolio or the financial prospects of that *stock* or *managed fund investment*.

We may change the *security ratio* that we assign to a particular *stock* or *managed fund investment* in your portfolio at any time. This may cause a *margin call*. We will, via our website, give you notice of any changes in the *security ratio* used to calculate the *security value* of the *stock* and *managed fund investment* as soon as practicable after the change.
4. If you are intending to go away or will not be contactable for a length of time, you should give us the name and contact details of a person who is able to be contacted in your absence and who is authorised by you to respond to a *margin call*. We may sell some of your *secured property* if we have taken reasonable steps to notify you of the *margin call* and you fail to meet that *margin call*. The sale of your *secured property* may occur even if you or your representative have not received notice of the *margin call*.
5. Gearing your *investments* can magnify the gains and losses in the value of your equity. You should discuss with your financial or tax adviser whether gearing your *investments* is appropriate for you. If you do gear your *investments* you should be aware that you may not have received the income or the benefit of any tax deductions at the time you are required to pay interest owing. You should ensure that you always have adequate income, resources or borrowing capacity under the *facility* to meet any interest payments.

All *stocks* and *managed fund investments* that you buy using funds advanced to you under the *facility* or that the *guarantor* (if any) has provided as security for your obligations under the margin lending *facility* are mortgaged to us. If a default event occurs, we may sell the *stocks* or *managed fund investments* and keep that portion of the proceeds that you owe us.

6. We may pay commission to any person we choose (including any financial adviser or planner, any broker and any of our related entities). The payment of that commission is not an endorsement by us of that person and we do not, in any circumstances accept responsibility for any statement, act or omission of them, except where required by law.

In this Application, 'Facility Terms' means the terms and conditions of the NAB Super Lever Facility Terms accompanying this Application, and 'NAB' means National Australia Bank Limited.

If you do not have a copy of the Facility Terms, please contact NAB Equity Lending on **1300 135 145**.

Section H Power of Attorney

This power of attorney is given by each Client (each of whom is called 'Principal').

1. The Principal appoints each employee of National Australia Bank Limited ABN 12 004 044 937 ('NAB') and any related body corporate of NAB (as defined by the Corporations Act), whose title is or includes the word 'Manager' ('Attorneys') jointly and each of them severally to be the Principal's attorneys.
2. The Attorneys may do in the name of the Principal and on the Principal's behalf everything necessary or expedient to:
 - (a) execute and deliver any NAB Super Lever Facility Terms between NAB, National Margin Services Pty Ltd ABN 81 088 233 872, NMS Nominees Pty Ltd ABN 62 088 233 792 and the Principal as a client, or if the Principal is a Guarantor, as a Guarantor; and
 - (b) complete blanks and make amendments, alterations and additions to the documents described in (a) considered necessary or desirable by the Attorneys (including, without limitation, changes to parties); and
 - (c) execute and deliver any other documents or do any other acts which are referred to in the documents described in (a) or which are ancillary or related to them or the transactions contemplated by them, in the absolute discretion of the Attorneys; and
 - (d) appoint one or more substitute attorneys to exercise, or delegate to one or more sub-attorneys the power to exercise, one or more of the powers given to the Attorneys, and to revoke any of those appointments, and in this power of attorney, 'Attorneys' includes a substitute attorney and sub-attorney appointed under this clause; and
 - (e) stamp and register this power of attorney.
3. The Attorneys may do any of these things despite the fact that a document they execute in the exercise of their powers itself contains a power of attorney or appointment of an attorney or agent for any purpose whatsoever.
4. The Principal declares that all acts, matters and things done by the Attorneys in exercising powers under this power of attorney will be as good and valid as if they had been done by the Principal and agrees to ratify and confirm whatever the Attorneys do in exercising powers under this power of attorney.
5. The Principal indemnifies each of the Attorneys against liability, loss, costs, charges or expenses arising from the exercise of powers under this power of attorney, except if caused by NAB's fraud or gross negligence.
6. The Principal declares that a person (including, but not limited to, a firm, body corporate, unincorporated association or authority) who deals with any of the Attorneys in good faith may accept a written statement signed by any of the Attorneys to the effect that this power of attorney has not been revoked as conclusive evidence of that fact.
7. The Principal declares that the Principal and a person (including, but not limited to, an executor, administrator, successor, substitute or assign) claiming under the Principal are bound by anything the Attorneys do in exercising powers under this power of attorney.
8. The Principal declares that this power of attorney is given for valuable consideration and is given by way of security to secure the performance of obligations owed by the Principal to NAB and is irrevocable for so long as any of those obligations remain undischarged, unless NAB consents to its revocation.
9. The Attorneys are expressly authorised to do any act as a result of which a benefit may be conferred on the Attorneys, NAB, any related body corporate of NAB or any of them.
